Civil Society Organizations review the completion of 2 Years of the 'National Common Minimum Program' (Delhi, 24 May 2006)

We, representatives of civil society in India, seek the fulfillment of the following promises made in the National Common Minimum Program (NCMP) in 2006-07:

1. Adopt the **Right to Education Bill** with suggested amendments & allocate **6% of the GDP** on Education.
2. Allocate **3% of the GDP on Health** and strengthen the **National Rural Health Mission**.
3. Ensure the inclusion of Dalits, Adivasis, women and disabilities in the implementation of the **National Rural Employment Guarantee**.
4. Enact the **Women's Reservation Bill** in Parliament.
5. Adopt the **Forest Rights Bill** with suggested amendments and strengthen the implementation of the Land Reforms Act.
6. Enact the **Communal Violence Bill 2005** with amendments and abolish the Armed Forces Special Powers Act.
7. Develop a comprehensive **Central legislation on reservation** in the private sector for dalits and adivasis.
8. **Stop forced eviction** and ensure a **comprehensive policy for rehabilitation** against displacement and natural disasters.
9. Stop the **privatization of basic services** and the imposition of user fees on the poor.
10. Ensure the **participation of Elected Local Bodies** (rural & urban) in all development plans and projects.
